no attention to me, though they are responsible for the over charges through not having attended to my interest

I am much in want of a pair of spectacles lightly tinted blue No 8 adapted to weak ~~sight~~ not short sight. I suppose they may be sent through the Post Office. Have the Envelops to declare for them, as well as for the subscription for the "Pall Mall Budget"

I enclose the Certificate, and

the note, and Fortunes for
Mrs Wentworth

With affectionate regards
to all I Believes me to remain

Yours very sincerely

I have put the letters under
two covers, as less likely to call
the attention of the Post Office
thieves.

My dear Mr Ferrero

We are all most sorry to hear of the illness of your children and trust that the worst is passed, and that they are now in a fair way of recovery.

My dear Elena has been for more than two months confined to her bed, and though for the last few days she has been somewhat better, she is
